

Weight: 7.4 oz/yd²

Introducing Hydrofend® CVR, a durable, lightweight cover fabric that offers reliable defense against the weather at a great value. Colors stay vibrant and the fabric resists tears, season after season. Because it's gel-coat friendly, it's ideal for use on boats, personal watercraft, patio furniture, grills, and other outdoor storage needs. Hydrofend CVR fabricates easily without fraying or damage and resists puckering when sewn. Matching 3/4" binding tape is available to complete any project with a clean, finished look.

- Fade-resistant
- Sturdy tensile strength
- Non-abrasive back
- Covered watercraft can be towed without wind whipping
- Easy to store without cracking
- Easy to clean

5-year limited warranty
