

Soft

Weight: 11oz/yd2

Aqualon Edge Soft’s design offers specialized protection on both sides of the fabric. The cover fabric grants the performance of Aqualon Edge with the protection of a soft warp-knit backing. Powered by Perfecta Marine® technology, the vinyl-coated polyester topside provides the best in heat reduction, heat reflection, and UV defense. The warp-knit polyester backing provides an abrasion-resistant surface that’s safe to use against delicate objects, critical painted surfaces, and sensitive gelcoats. The hybrid marine fabric keeps interiors cool and free from damage. Suited for aquatic conditions, the material is water repellent and mildew resistant. Ideal uses include boat covers, storage covers, marine enclosures, antique wooden boats. It can also be used for patio furniture, grill covers, RV windshields, airplane covers, and others. Colors: Charcoal and Basic Beige. Warranty: 7 years.
